EXPERT  
Ramy Gafni

"I love love love a classic, true red lip for fall," says Ramy Gafni, celebrity makeup artist, brow expert and creator of Ramy Cosmetics. "Bold, stare-at-me, I-own-the-room red lips. Not matte, not shimmery, but rather a throwback to classic Hollywood star red lips."

## Trend: BOLD EYELINER

Must-have products:

L'Oréal Paris HIP Studio Secrets Professional Color Truth Cream Eyeliner, \$12; Make Up For Ever Aqua Liner in Iridescent Anthracite, \$23, [sephora.com](http://sephora.com)

EXPERT  
Ashunta Sheriff

"Eyeliner is a major trend of the season," says celebrity makeup artist Ashunta Sheriff. "My personal fave is an adaptation of an urban eyeliner I grew up wearing. Using a creamy black liner, start at the inner corner of the eye and bring the end toward the outer corner, and up. Then follow the line using a gold or silver liquid liner for a two-tone effect."

## Trend: MAJOR MASCARA

As seen on: Kim Kardashian

Must-have product: CoverGirl LashBlast Volume Mascara, \$9, drugstores

EXPERT  
Kayleen McAdams

"We've seen dramatic lashes before, but the difference for fall is that the bottom lashes are just as dramatic as the top," says celebrity makeup artist Kayleen McAdams. "It's the modern version of the clumpy bottom lashes Twiggy made famous. The trick is to keep liner and shadow underneath the eye to a minimum and just apply multiple coats of mascara on the bottom."
